

BACK BY POPULAR DEMAND

YOU ARE CORDIALLY INVITED TO PARTICIPATE IN AN EDUCATIONAL VIRTUAL PROGRAMME:

Respiratory Syncytial Virus (RSV): Are You Prepared for the Next Season? Maintaining Vigilance in a Post-COVID-19 World

We are pleased to announce that Asuncion Mejias, MD, PhD, MsCS, and Octavio Ramilo, MD, will be leading another **educational programme** on **15 September 2022**.

**Asuncion Mejias,
MD, PhD, MsCS**

Associate Professor of Pediatrics
Principal Investigator, Center for
Vaccines and Immunity
Nationwide Children's Hospital
Columbus, OH

Octavio Ramilo, MD

Chief of Infectious Diseases
Principal Investigator, Center for
Vaccines and Immunity
Nationwide Children's Hospital
Columbus, OH

We are proud to continue building on our longstanding heritage in respiratory diseases and emphasise our commitment to improve respiratory health outcomes in infants who are at high risk of hospitalisation caused by RSV.
