YOU ARE CORDIALLY INVITED TO PARTICIPATE IN A VIRTUAL EDUCATIONAL PROGRAM:

Insights into RSV: What should we know for the upcoming season?

We are pleased to announce that Manuel Sánchez Luna, MD, PhD will be leading an educational programme on **14 September, 2023**.

Manuel Sánchez Luna, MD, PhD
Neonatal Medicine
Complutense University of Madrid
Madrid, Spain

We are proud to continue building on our longstanding heritage in respiratory diseases and emphasise our commitment to improving respiratory health outcomes in infants who are at high risk of hospitalisation caused by respiratory syncytial virus (RSV).
